Let's clear up the nagging questions you must have:

Is it porn? NO

Is it nudity? NO

Am I looking for sex? NO

Do I promise to make you a professional model? NO

Will I make you rich beyond your wildest dreams? NO

Am I trying to sell you something? NO

So, what is it?

I sell clothes online. I buy large lots of closeouts, and sell them online. If I buy a shipment of 50 identical sweaters, for example, they sell better if I have someone model one of them. You will be modeling shoes, pants, blouses, blazers, outerwear, sundresses, cocktail dresses, hats, etc. We are not asking you to model undergarments or lingerie.

What are the qualifications? You must be physically attractive, have a vibrant stage presence, and want to make a few extra bucks in your spare time. Poise, grace, professional attitude, and a good attitude as a model are a must. Experience not necessary. No doubt, we will need a few hours in time to make the need.

Right now, we are trying to find qualified young ladies for our next campaign this spring. Please reply via email only, with your following information attached:

2) The size you typically wear. Yes, some garments run large or small, but what size fits you best? At present, we are not looking for models of size larger than 10. Please include:

3) Demonstrative photos. "Comp card" pics, at a minimum, but better photos will include:

- Body, from angles that demonstrate your proportions
- Legs, from angles that demonstrate your proportions

We are looking for photos that allow us to gauge whether you have the look we are looking for, so they need to showcase your look, bearing, and presence, but do not need to be professional quality.

If you have read this far, and are still interested, please reply via e-mail. If you have questions, please ask. I check the email at least M,W, and F, but usually every day. If you are the one we are looking for, and we can come to an agreement, we will have gigs a few times a year where we will need your services.

Also, and there is no guarantee of this, if any of our colleagues in this business need similar services, if you are right for the work, we will do our best to secure that for you as well.

Principals only, no.
