I am getting married June 6th at 2pm in Walpole MA and I am looking for someone to take professional photos of my wedding. The Wedding is in my backyard and a very small wedding party and only 30 total guests. Ideally I'm looking for someone for 3 hours to take pictures of me before the wedding, pictures of the ceremony, a few of the wedding party, and a few of the reception.

If you are available and would be interested please send me a link to your portfolio and an estimate for these services.
