Hello there!

I am preparing to leave town for the summer, but before I go I thought I'd see if anyone would like to rent my home for either weekends of Jazzfest.

The house is a large brick square that has been split down the center to give you a spacious bedroom, two closets, and huge bathroom on one side, with a living room / kitchen on the other. Both sides of the place have a door leading out to the carport, and there's a door inside connecting the two halves (the whole thing is yours, but the door adds privacy if multiple people/couples are staying).

Furnished with the following:

Bedroom: Giant lawyer sized desk, king sized bed, small dresser, small table, floor-to-ceiling mirror, and a half-tuned upright piano.

Living Room: Big brown leather couch, coffee table, and a twin sized futon. Linens available for couch and futon.

Kitchen: Oven, fridge, pots, pans, tupperware, glasses and dishes. Small dining table with chairs. Coffee
