I charge between \$100 and \$150 a week. The second child is only a dollar more. Depending on the hours. I am a stay at home mom. I would like to come to your place to care for your child or children. I have a 2 year old son I would need to bring. I am registered at care.com. I have plenty of work references. I have schooling in child development. I can provide a background check. Email or text

for more.
