Hello my company LB Amusement & Entertainment Parks LLC, Is wanting to move forward with a couple projects that we have but we are needing help in doing so. WE WILL establish a family quality themed amusement attractions in Ohio. These parks will be designed to create a quality experience for families and customers of all ages. They will offer its customers an attractive, economical and fun-filled facility for their entertainment and enjoyment. The forerunner to the LB Amusement & Entertainment Parks LLC is the entertainment value. With over 100 attraction rides, Skill games & Broadway style stage shows and other attractions, which brings more advanced technology of animations and hi-tech rides into the business. Our business model is based on the Synergy of retail and entertainment. As we will have strategic alliances with different shopping malls and food providers, so that our customers can get things from other company outlets just right here on our facility property. Plus our park will be open year round with some restrictions. We have five 6 locations we would like to put these parks (just in Ohio alone - and one in North Carolina) We would be having - 2 small parks (10-15 rides) - 2 larger Mall parks (50-75 rides) - 2 large outdoor parks (75-100 rides) We are looking for help in making this happen, and what this will bring will bring a better class of entertainment to the areas that these parks are in plus over 16,500 new jobs to Ohio/North Carolina. The kinda help we need is either an angel investor or someone that would like to just sit back and let us use your Great FICO credit score (780) IF YOU will help us out you will get paid a good amount of money for either investing money or just sitting back and helping us with being a co-signer and using your FICO credit score. (keep in mind your FICO score has to be 780 please) The amount of funding we are looking for is between \$250,000.00 - \$2,000,000.00 MIL)
