

CHILDCARE PROVIDED ANYTIME 247365 (MasonLandenLoveland)

Location **Kentucky**
<https://www.genclassifieds.com/x-384162-z>

Available anytime! I can provide childcare services for your child(ren) anytime. Nine to fivers are great but I understand that some people may have odd hours and that's where I come in 1st, 2nd, 3rd shift, and split shifts weekends and holidays are not a problem either. I will also do snow days, in-service days, Thanksgiving, Christmas, and spring breaks. I am a mature 41y.o. stay-at-home mom with children of my own: a 10y.o. son and 2 daughters 11y.o. and 17y.o. so newborns or infants are not a problem. Childcare will be provided in my single family home in a quiet sub-division with a park-like setting and very tranquil yet easily accessible on a private drive off of a cul-de-sac. Minutes away from Anthem, Luxotica, P and G (Mason Campus), Kings Island, and Deerfield Towne Centre. Home and yard both are larger with plenty of room to play, learn, and have fun. There are tons of toys and activities both inside and outside of the home. I also have most anything needed for infants and newborns (in:re; swing, high chair, pack and play, etc.) so you will not have to haul stuff back and forth. And for any older children that may be here evenings, overnight, or on weekends there is a media room that they can enjoy (with your permission only and parents set rating limits). There is 600+ movie titles and 250+ video game titles to choose from with every game system available and a 100" video projector and cable and internet access with wi-fi (again with your permission only). I do provide meals, snacks, and drinks (usually juice or milk) but I do ask if you or your child prefers something out of the ordinary that you provide it (in:re: organic, special diet, etc.). Usual price is \$25.00 per day per child and I will discount rate for multiple siblings. There will be no early drop-off or late pick-up fees (within reason) and you only pay for the days when your child(ren) are actually in my care.

Can provide hourly rates as well for stay-at-home moms that need to run errands or need a little alone
