99 Toyota Camry (2500 USD)

Location Louisiana https://www.genclassifieds.com/x-384203-z

99 Camry with 154,000 miles. V6, 3.0 runs well and needs little to no upkeep. I've put on two new front tires and another battery. The paint has some issues, but that doesn't make the car any less reliable. AC works which is a plus for the coming hot summer. Sold as is, serious inquiries only, cash only, and in.
