My parents are in their 90's and still live in their own home. My father was recently diagnosed with pulmonary fibrosis (scar tissue in the lungs/diminished lung capacity) and has trouble breathing when he is up walking around. He has 100% of all his mental faculties but needs help in the morning getting around. Duties will include assisting with getting out of bed and to the restroom, putting on clothes, help with shower, and other morning activities. We are looking for someone from roughly 7am (can be flexible) until 11am in the morning. You do not have to be a CNA just a loving/caring/responsible/dependable individual. Must be able to pass criminal background check, provide 2 recent references. Please no smokers. Must have a valid driver's.
