Hello :)

We are looking to find a third roommate by the end of May.

We are 2 females in our early/late 20's and we are looking for a 3 bedroom place; and hoping that when we find it, we will also have a third roommate to join us.

We are not into partying or drugs, and are looking for a female roommate who will be respectful, very clean (we are clean and tidy people), won't mind respectful boyfriends over, and who has her own busy work schedule.

We are in the midst of house-hunting and we are looking for a roommate who will be able to pay rent (\$650/month plus utilities) as well as a deposit of \$650.

Please email us! We look forward to hearing from you :)
