Fully remodeled from the floor to the ceiling with real hard wood floors, brand new kitchen (cabinets and appliances are all brand new), new carpet, new paint, brand new bathroom with tiled shower and floor. THIS IS LITTERALLY A BRAND NEW CONDO! This condo is a 2 bedroom, 1 bathroom condominium which is located in the lower Punchbowl/Makiki area. The covered lanai has brand new travertine and is large and spacious, 160sq feet which wraps around the entire condo. The building has a roof top pool and BBQ area which is open 24/7 as long as the noise is not too loud. This makes for a great place to entertain family and friends and watch the Friday night fireworks from Waikiki. There is one covered parking spot available on the lobby floor, which provides great convenience and security, along with street side parking which makes it easy if you have a second vehicle. We will both be sharing the spot.

The building is conveniently located minutes from downtown (5min), H-1 Freeway, one minute from the Pali Highway, shopping, Queens Hospital, Straub Hospital, and University of Hawaii. Ala Moana mall is also one mile away. It is about a 10 minute walk from the unit, which makes for a nice walk to dinner and entertainment. Waikiki is about a 10 minute cab ride.
