We do all operations of service for foreign & domestic cars & trucks. Our rates are very reasonable and if you need help getting parts, you can use my discount.

1. Brakes, Tune-ups, Shocks & Struts, Timing belts, OBD 1 & 2 computer codes, Minor & Major Engine work as well as Transmissions and Rears.

Brake labor charge for all cars & trucks foreign or domestic is \$80.00 for front and \$80.00 for the rear including changing rotors.

Tune up labor charge starts at \$60.00 and goes to \$120.00 depending engine size, year make and model along with engine restrictions.

Struts \$80.00 a side. Rack & Pinions, \$200.00 to \$260.00. Timing Belt and water pumps along with tensioner and idler bearings replacement for Hyundai, Toyota, Honda, Chevy, Ford, Chrysler, and most other cars. 4cyl-\$300.00 6cyl.-\$400.00.

All other repairs like Engine replacement, Transmissions, Exhaust and Rear drivetrain inquire within.

I dont make any extra money on parts so the discount that I get is your price as well and if you already have your own parts I would welcome that too.
