GLOBAL KITCHEN STONE enables people worldwide to live with the beauty and originality that only nature can provide. But there is only one country that can talk about this with such property.

Everyone knows that Brazil is a country blessed by nature. Beautiful beaches, fantastic landscapes and, above all, beautiful and joyful people. And now, everyone who wants a unique product to dress their houses and other works, will know that there is a country with the most beautiful ornamental stones, and this country is Brazil.

Country? No. An actual continent with regions that produce the most beautiful and distinctive granite existings. Brazil has several States that are already known worldwide: Esp rito Santo, Bahia, Minas Gerais and Cear ; among other fantastic exotic granite producing areas. Exotic as only Brazil knows how to be.

When people build their houses, show who they really are and nobody wants to be a copy of something. In massive and without differentiation society, The GLOBAL KITCHEN STONE provides a chance to have something of his own, unique.

Each individual is unique, so when choosing a type of granite, we want to express our individuality. People are spending more time in their homes and want to have an environment that reflects their tastes, desires and lifestyle. They want unique and beautiful things, with history and not copies.

The stones of GLOBAL KITCHEN STONE do not leave a factory that produces thousands of identical parts. Each plate of GLOBAL KITCHEN STONE is unique and there lays its great value: you have contact with the beauty that nature has created thousands of years ago and now may be present as part of your

life. Every family has a history, as does each granite from GLOBKITCHEN STONE.

For all brands, our quality is forever perfect and caring a true gift of nature. Brazil allows people with good taste to have access to this fine luxury. Brazil Original Stones believe people deserve a high quality product and an easy way to express their dreams.
