Location **Illinois**

I have a 48 inch light fixture with a working aqua-glo bulb. Also have a few pieces of rocks and decorations. The big coral piece and the ship are plastic. I have a five gallon bucket about 2/3 full of gravel. Willing to trade for driftwood or live plants. Would prefer if you would text or call, but you can email too.

- light fixture \$35
- bucket of gravel \$10
- rocks and decorations
