We are looking for a drummer to round out our project. Looking to mainly record and release music and play a few shows throughout the year in Chicago and possibly elsewhere given the right opportunity. Looking to incorporate a certain visual element as well. We are professionals and take what we do seriously but we are also very easy going and fun normal dudes. Somewhere in the post rock/ambient/shoegaze realm. Influences include Mogwai, Russian Circles, Caspian, Explosions in the Sky, Dredg, Hum, Red Sparowes, This Will Destroy You, Sigur Ros, Failure. We have a rehearsal space in the Wright on Carroll building in.
