2 female sugar gliders for sale. Includes accessories and their cage. Accessories include pouches, water bottle, food bowl, toys, etc. I am asking \$350 for EVERYTHING. The cage is PVC that my step dad made. The thing is the wiring has to be changed. My price is negotiable and will accept a reasonable offer. I have put more then \$500 into these babies. Sugar gliders AREN'T cheap animals and id like to sell to someone whose experienced. These babies will be lots of work and will need lots of attention. They do bite and it will take them some time to bond to you. Serious inquiries only. Located in.
