Location **Mississippi** https://www.genclassifieds.com/x-384542-z

BIG tall cage that would be perfect for birds, sugar gliders, ferrets, chinchillas, rats, or whatever! It's in awesome condition, and has all the accessories that came with it. Has the bottom tray and thing you can attach so it has wheels. I can throw in some water bottles and food dishes if you like. Asking \$115 obo. Located in BSL. Thanks for!
