I just closed my costume jewelry store temporarily and have this case for sale. It is in very nice condition, has locking sliding rear doors but no keys. It weighs about 150 lbs and in very good condition. I forgot to measure it but it's approx. 5 feet long x 3 feet tall and 2 feet wide. The has lighting inside but it needs repair.

It would be great for other things to display besides jewelry.

Let me know if you have questions.

Cash or credit cards.
