AutoPassion NOLA is the intersection of 15 years of sales and management success with 7 years of a passion for detailing anything that moves. From 18 Wheelers to Your Mom's minivan, motorcycles, etc.

You aren't detailing anything (if you're interested in detailing, or permanently representing (selling) our service, that opportunity also exists.)

Hours are very flexible. We work hard, play hard, and always have fun, usually surrounded by cool people who are passionate about their rides. We will definitely have a presence at Cruising and Scrapin...we are planning a blowout party for each with many models. Car shows, Bike nights, whatever we can find to get into, we prefer to be represented appropriately. Hot cars, Hot Women... You earn a % of what we earn.

These things come up last minute sometimes, so I'd like to have a few numbers on the coast if we have an event come up. This could be a semi regular thing, and as we grow could become career opportunities for the right people.

Please send a few photos and a little info about yourself.

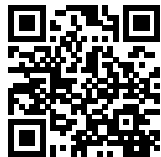

Check out [autopassionnola . com](http://autopassionnola.com) for more info on us. I can also be found on LinkedIn. I understand the need for security, so whatever is necessary I'm happy to provide. We possibly have an event this

weekend, so if you're interested send a few photos of yourself and let's go make some!
