We are professional carpet, furniture and drapery cleaners. We provide free estimates over the phone and a firm quote at your home or business site. The firm quote is as good as gold, it will not change.

We utilize the newest technology in carpet cleaning to get your carpets cleaner and to keep them cleaner longer. We use the cadet. We have Anti-alergens, to Anti-resoiling agents and carpet protectants, and de-odorizers, etc. Most rooms are dry in 45 minutes. Just ask, we can handle the job.

We've had customers think that they were going to have to replace their carpets until we cleaned them. They now have carpets that will last them another 5 to 7 years. We've been compared to some of the other companies and told that we do a much better job. We know its because we're properly trained, have the right equipment and will not rush through a job just to make a buck. Basically because we care about what we do and how it turns out. We want every customer to be a returning customer.
