While being in between jobs, I thought that it would be good for I could do something for somebody else and drive at the same time.

I have 11+ years driving experience, a relatively clean driving record and love old cars!

Of course, within reason I am willing to drive almost anything within my driver's license class down to Florida and points south/west, but would mostly like to drive vintage, classic cars!

Anyway, I am 32 years old.

If you're interested in having me drive your car down, please contact me.

Thanks.

(Note/Update: I don't know why, other than the unfortunate perversity that lingers in some people and the vile ways they have of amusing themselves, but I have been the victim of all kinds of harassment due to this particular ad recently, and by the same asshole, too. Therefore, if you are just going to trifle with me and waste my time, then, though I do hate so much to sound unprofessional, but: you can kindly go fuck yourself right now. Also, if you're that type of person, you can, with all due respect, fuck off. Now, if you are a DECENT and NORMAL and actually INTERESTED person, someone interested in retaining my services, then please don't hesitate to reply. However, if you're not, DO hesitate and never reply. So please, don't make me waste my time and effort. I do not wish to field false offers and go on wild goose chases and generally be fucked with. I do not deserve that and I will NOT tolerate nor accept it. Thank.)
