!!! FORCE PROTECTION SPECIALIST SECURITY SERVICES !!! !!! ALEXANDER INTERNATIONAL SECURITY AFFILIATES !!!

Force Protection Specialist Services. Why risk the security/safety of your events, commercial enterprises, employees and family by hiring the average security company (operating in Los Angeles)? Our agents are more effective for a high threat situation, then any other Security Guard Company in Los Angeles, due to their training in the exclusive B-ARM Behavioral Analysis Risk Management course, available only to A\* ISA staff. A\*ISA is the only Security provider (private security sector) trained in the same Behavioral Analysis Training used by the Israeli counterintelligence and internal security service - Shin Bet/SHABAK and the German GSG9. Worldwide-A\*ISA provides resources to assist progressive companies seeking total asset protection. We develop strategies and design systems that mitigate security, health & safety and human resources risks. At A\*ISA, we believe that our concept of being in partnership with our clients results in enhancing their security and safety, providing a safe and secure environment for their employees, customers and guests.

We would appreciate the opportunity to further discuss how A\* International Security Associates. May be of service to you. A\*ISA / A\*International Security Associates is a multi-functional security company, with more than 30 years of exemplary service to our clientele. Associates worldwide allows us to offer our services on a global range, from low level of security to high profile personal protection, Our full range of services can be viewed at: [www.isaexecutiveprotection.com](http://www.isaexecutiveprotection.com)
