Location

Georgia

<https://www.genclassifieds.com/x-395869-z>

We specialize in Wedding and Engagement photography. However, we also excel in:

- Headshots
- Maternity
- Senior Portraits
- Family Photos (No children under 3 years old)

We aren't a \$30.00 session photographer, our type of client is the person who is willing to pay more to get the best results possible. So, we aren't gauged on cheap, we are gauged on quality, and good work isn't cheap.
