Location **Alabama**
<https://www.genclassifieds.com/x-395956-z>

KWS Now, LLC, a solutions-based IT consulting firm has just launched a new campaign in your area and we're looking for entry-level computer technicians for a short-term and part-time gig that could turn into a full-time career with benefits. Any prior experience you have is a plus, but experience is not necessary as we provide comprehensive training.

Qualified applicants should possess:

- Basic computer skills
- A motivation to serve
- An exceptional work ethic
- A strong attendance record
- Ability to deliver superior customer service
- A commitment to maintaining high quality standards
- A clean driving record
- Clean drug screening and background check (Can provide previous records on a case by case basis)
- Ability to lift 15 lbs

Technicians will provide onsite service at customer locations for various types of devices and would feel comfortable in any residential or commercial setting.

Technician will be required to pass a criminal background check and drug screening.

Technician must provide his/her own transportation

Technician must have automobile insurance

Technician must have a mobile phone with internet capabilities.

Technician must dress in business casual attire.

Any parts or components needed will be provided to the location and they are on-site prior to your arrival. Technicians are required to return the broken or unused parts and/or components by using a pre-paid shipping label, which will be provided when applicable.

Technician will be supplied with telephone support and access to manuals where applicable.
