Location **Florida**
<https://www.genclassifieds.com/x-396226-z>

This is for a Set Break-Up of Two (2) Bachmann G Scale Passenger Cars from the Royal Blue Limited Train Set. Combination Baggage - Passenger Car and a matching Passenger - Observation Car Lettered for the NEW YORK, PHILADELPHIA, BALTIMORE & WASHINGTON Limited RR. They are dark navy blue and black with gold trim and white lettering. Comes with operating knuckle couplers for more operational realism The Combo Baggage car has opening doors. Both cars have detailed interiors and details on the exterior & under frame as well, NICE. They are lighted cars (inside and the observation car drumhead logo) from a small 9-volt battery located below the frame, so they are constant lighted, not flickering on and off from intermittent rail contacts. The Lights work. ---- You can use these train cars indoors or with precautions outdoors too. Trains cars looks in Excellent Condition with NO Observed Defects. These trains should be compatible with LGB, USA Trains, ARISTOCRAFT Lionel, and other G Scale trains and.
