I am looking for someone to watch my children when school is out this summer. As of now the days would be Tuesday-Friday 8:30-3:30. A high schooler would be perfect! We live in a safe neighborhood off of old Klatt. We are a fun, loving family of five, and our kids are ages 9,7,5. They are mostly independent, but need some help making meals and stopping the sibling squabbles. I am willing to pay \$10/hr. (If you have kids, bring them over, we can work it out.) Email me if.
