About this item

Cash register with handheld bar-code scanner is the ideal solution for businesses that want the latest features along with fast, quiet thermal receipt printing and large eight-line display. Thermal printing speed is 13.3 lines per second. Microban Keytops provide built-in antimicrobial protection molded into the cash register keytops to inhibit the growth of damaging bacteria. 7,000 price look-ups allow quick and accurate entry. 99 departments easily separate product types. Use the SD card slot (4 GB to 32 GB) for and easy data backup/transfer. The SD card slot can link to Quickbooks accounting software to integrate transactions. Cash register also features two displays (one customer and one operator), 40 clerk IDs, four tax rates, simplified tax and department programming, receipt generator with personalized logos, and drop-in paper loading. Included locking drawer has six coin departments and five bill compartments. Memory backup requires only two AA batteries. SHRXE507. XEA507. Sharp Sharp Cash Register. Cash Registers
