

# Planning a Trip (New Roads)

Location **Louisiana**  
<https://www.genclassifieds.com/x-396639-z>

I am going to Fort Campbell, Kentucky on May 24th. Will probably be leaving at 4 or 5AM. I will be traveling through New Orleans, Interstate 10 to Interstate 59 to Interstate 65/40 to Interstate 24. Will be going through Mississippi, Alabama, Tennessee. I am offering a ride to a maximum of 3 people, with luggage. I have a 1994 Jeep Grand Cherokee; no air conditioning (yet; working on it...), I am a smoker (NOT 420-PLEASE!), so I have no problem with smokers in my car, and the newest song you would hear on the entire trip is probably Maroon 5's, "Animals". Older Black male (age 56), highly educated, conversant on many topics and subjects. Political discourse welcome as well- I might learn something! Get along with anyone, as long as your last name ain't Manson, Bundy, or Speck (LOL)!

Asking \$50.00 per person- but I am Offering PERSONALIZED door to door service! I will drop you off in person at ANY address along that route- in ANY city! Major Cities on the route will likely be: Hattiesburg, Meridian, Tuscaloosa, Birmingham, Huntsville, Nashville, Clarksville.

DISCLAIMER: This is NOT a, "commercial", or even a round, trip. Will most likely be returning to Louisiana the other way (I-55). I am not concerned that you would want to, "carjack", a 21 year old vehicle, or an old-ass Black guy, either(LOL). Your, "Hot Spot", if you have one, is welcomed. If anyone is interested, feel free to set it up by calling or texting the number herein.

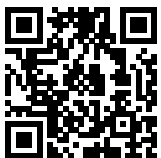

Thank you, and looking forward to a VERY educational and informative trip!

P.S: Unless you have \$500,000 dollars- you will NOT be riding in the pictured aircraft!)
