Are you looking for something fresh and different from the other daycare centers around? Would you like to greatly reduce your time off of work because of having a sick daycare provider or child? Would you like to have your child receive plenty of one-on-one attention, instead of being in an overcrowded daycare? Would you like HIGH quality childcare at an affordable price? Well, look no further.....

Hi! My name is Lana. I am a military spouse and mother. I LOVE working with children! I feel blessed to do something that I love and enjoy doing! I strive to have a small ratio of children at a time, so I can give each child more one-on-one attention and participate in fun outings with the group! I've been a stay-at-home mom for 6 years. Prior to that, I was a homemaker, I was a high school teacher, I also worked in a nursery school, a child shelter serving in the base community, and about the year of child experience. I have also taught in a preschool setting. I am currently an assistant in a preschool teaching in my church. I have 2 daughters, 2 who are currently in 1st and 2nd grade. I also have an infant.

We are located in northwest Omaha, in the Winchester Heights subdivision. We have a large backyard with a nice Rainbow play set. When the weather is nice, we have recess outside for 30 minutes. We have a clean, smoke-free home! We have 1 cat which stays hidden while the children are here! We are a Christian family with strong morals and implement good manners and reinforce respect, care and love for all people. Good nutrition, exercise, moral development & providing an educational background are my specialties.

I am looking to add another potty trained child between the ages of 2-5 years old to join our small group of preschoolers Monday through Friday. (If your child is not quite potty trained, I'll assist with that for an additional weekly fee of \$15!) The children engage in play, music/dance, educational activities and crafts. They will learn their

ABC's, numbers, colors, counting, sight words, and hand writing in a fun environment. I offer a structured Christian preschool curriculum 3 days per week (Mon, Tues, and Thurs) and fun craft/baking/field trip days on Fridays.

We will attend Preschool story-time at the Millard or Saddlebrook Public Library every Wednesday morning and go on field trips to the Children's Museum, Zoo, Vala's Pumpkin Patch, apple picking and various other fun places throughout the year!

My regular daytime hours are Mon-Fri between the hours of 7:30 AM- 5:45 PM. I do offer flexible hours on an individual basis. I am only offering FULL TIME (4-5 days per week) at this current time. If interested in part-time care, the rate will be the same rate as full time. I provide nutritious snacks in the morning and afternoon and lunch per day. I prepare mostly all homemade meals with plenty of fresh fruits & veggies served w/ every meal and whole grains as well!

If you're interested in meeting or have any questions, please email or call/text my cell at for more info or to set up a tour of our home! Great references are available upon request! I look forward to hearing from.
