Hello my name is Sara, I am 30 years old, I have a Handsome 8 month old baby boy, I live in the west Omaha area and I have been doing child Transportation for over 2 and half years now.

I started off doing childcare in the beginning, but all along the way people were consistently asking if I did transportation services. I couldn't believe how many parents out there actually just needed transportation for their kids, I'm sure there are a handful of kids this summer who don't want to be stuck in the house this summer...That's where I come in, I transport, and take responsibility for your children while they are out enjoying the summer fun, soaking up the sun, while your stuck at work I know it's a drag, but the kids should be outside playing tag. I am looking for families who work daytime, and have older kids, and cannot take them out to do fun stuff like movies, Zoo, museum, swimming, stuff like that during summer time.

I take the kids wherever they want to go, depending on the age of the child/children, I will stay with them and monitor/care for them while they enjoy themselves in the summer fun and wonderful whether, or if they are older and are meeting friends at the mall, or movies, I can drop them off, and pick up when they are done, Or stay with them if you prefer.

I only provide transportation, and light childcare, basically spending time with them, having fun with them, being another kid but being the adult as well, when they are around the ages of 6 to 13 or so, so if your looking for someone to take your kids around for summer fun while your stuck at work, I'm your driver. I have references, I do transportation now during school taking, and picking up from school, so I am very reliable, trustworthy, and also dependable, so please contact me as I am looking to have a job lined up before summer hits.

Thanks so much and enjoy your.
