DO YOU NEED SOMEONE WHO CAN BE FLEXIBLE WITH YOUR SCHEDULE? Then Kids Kampus Child Care and Preschool is the place for you!

Hello My name is Stephanie. I am a Licensed Family Childcare Home I Provider. I have rare openings available in my childcare home and current openings for evening care . My goal is to provide a safe, clean, caring environment to grow socially, intellectually, physically, emotionally and at their own pace. I serve a healthy breakfast, lunch, and dinner as well a afternoon snack as laid out by the USDA healthy eating program though Midwest Childcare Association. My home is a non smoking and pet free. I have a large indoor and outdoor (fully fenced in) play area dedicated and safe for children, Each child has the opportunity to take part in the many daily activities for their own learning level (I.e. story time, games art projects, outdoor play, music free play time, age appropriate learning games, summertime gardening, etc)

Learning programs include; numbers, letters, colors, story time, Preschool PE class, music/dance time and much more. Lots of tummy time for infants and one on one time as well as intro to sign language and get up and go time for all age groups. If by chance your family needs special needs care please let me know to make sure that I am able to assist with your needs as well as the child's.
