My name is Ana Perez and I'm a graduate of Florida International University where I received a Bachelor of Science degree in Mathematics.

I don't just know formulae, tricks, or methods; I help you to see the picture.

I teach you how to teach yourself; how to understand math instead of just how to survive it.

I'm energetic, easy going, and easy to get along with.

I have experience helping both younger children and young adults grasp even the most abstract mathematical concepts.

I tutor:

EOC/FCAT/SAT/CPT/ASVAB etc.

Calculus (I, II, III), Differential Equations, Linear Algebra, Discrete Math, Finite Math, Pre-Calculus, Trig, Algebra (I, II), Geometry

My hours are negotiable and I can go to you, you can come to me, or we can meet at a place of your choosing.

///PRICE///

\$40 for ONE hour

\$30/hr for 2+ consecutive hours

GROUPS: I'll tutor as many people as you can get together, same price. I highly recommend this as this is definitely the most cost efficient and beneficial way for you to learn.

Private, Equity Investor wanted for for a LONG TERM, MUTUALLY BENEFICIAL PARTNERSHIP with a US Real Estate Investor. I currently have a "purchase and flip" home located in Saint Helena Island, SC - 8 miles from the Atlantic Ocean and in between Charleston, and Hilton Head. AIV is \$175k (US) and ARV is \$213k (US) on this particular property. I have already done 85% of the rehab on this property. I also have another 9 property package that I'm working on now that I will need a funding partner on.

Let me be 100% CLEAR here and let's not waste each others time. I'm looking for an EQUITY PARTNER.
NOT looking for "commercial" or "institutional" lenders, or the endless red tape that goes with it.

I'm an experienced real estate investor looking to partner up with a PRIVATE EQUITY INVESTOR(S) who can see the potential profit in this and 5 other deals I have in the pipeline and on standby right now. I'm looking for an investor(s) who wants to partner up with someone who has 13 years experience (since 2002) investing in US real estate - short term or long term if the partnership "clicks" with both of us.

As I said, I have 4 other deals "in the pipeline" now: 1 more in SC, 1 in NC, and 2 in VA. I also have access to 27 acres of raw land in the Savannah, GA area and 3 acres of waterfront property in Hilton Head that we could develop for a handsome return. Looking for equity partner(s) on any or all of these deals.
