Conclussifieds.com Iooking for your extra flowers PRETTY PLEASE (Omaha)

Location Iowa https://www.genclassifieds.com/x-396700-z

I would love to take your extra flowers! I will come and clean out your garden free of charge! All I ask is to let me have some of your perennial flowers. Or if you just have flowers taking up space and you would like them gone...please let me know. I listen really good to directions and will only dig where you tell me. I'll have all my supplies with me and won't leave a mess.

I open Mondays and Thursday to come.
