We are currently putting together a series which will feature acoustic artists in a very personal setting. The concept behind the series, Acoustic Detroit, is based around VH1 Storytellers and MTV Unplugged. The shows will be in smaller venues and will be filmed to be featured as webisodes online. The sponsors, venues and other details are not being released at this time. If yourself or your project would like to be considered for a show(s) in the upcoming series, please respond by email, including any media you wish us to consider, to set up an audition.
