We are putting together a marketing team to do away with our "best kept secret" status. We want to get the word out regarding how we can be of assistance to those experiencing an unexpected pregnancy and to let the public know that we are seeking in-office volunteers.

Birthright has been incorporated as an international, volunteer run, non-profit organization for more than 45 year. We are non-political, inter denominational, non-violent. There are 15 Birthright chapters throughout Minnesota. Our St. Paul location is currently seeking assistance.
