I am a photographer located in the New Orleans/St. Tammany area. You can see samples of my style of photography on either of these linked outlets:

Website: www.andrewsimoneaux.com
Instagram: @arsmoney

My current rate is \$60 per hour. I can deliver the edited and ready to use digital photos delivered either by mail (on a CD) or through the online file sharing site Dropbox. The amount of photos will be based on the number of locations you would like to shoot and the amount of outfits you'd like to use. Generally, it come out to around 12-18 photos per hour of shooting.

I am also available for events; however, the rates would depend on the event type.

If you have any further questions, would like to inquire about rates, or set up a shoot, you can reply to this post or find my contact information on my.
