New 2015 Aspen Trail 1900RB travel trailer from Dutchmen RV! The Aspen Trail 190RB is a very popular model with our customers because of the walk around full residential sized 60x80 queen bed, spacious bathroom and incredible value. On the exterior you will love the easy to use power awning with LED light strip and the large front pass through storage. The folks at Aspen Trail make a beautiful trailer with gorgeous exteriors and classy, rich interior loaded with features at a great price making them one of the best value's in the entire RV industry. The 1900RB has lots of open floor space for it's size and a terrific bathroom with a large corner shower. If you need it, we can help with some pretty amazing financing oac. Rates are very low making it a great time to get a new Aspen Trail. You can see our no hassle pricing on this RV and there are no additional surprise fees or charges like most dealers have plus we include 2 RV battery's, full LP tanks and our very popular "Camper College" customer orientation to make sure you are comfortable with all the systems before you leave our lot! MSRP on this RV is \$19557 but our low no hassle wholesale price is only \$15999 with no other surprise fees or charges and we include 2 RV battery's, full LP tanks and our popular Camper College customer orientation! D&D RV Center, Helena, MT or
