As a parent, one of the most difficult tasks we have is arranging childcare for our children while we work. My goal is to provide a safe & happy environment for each & every child that will stimulate their physical, intellectual, social and emotional growth at their own pace. I also feel that it's a great and wonderful opportunity to be an important person in the lives of children at the age when they need a positive role model with strong morals, ethics and values. I have a very relaxed environment here, so the children are just as comfortable at my home, as they are in their own. Parent's involvement is encouraged and maintained through an open door policy. I provide nutritious meals and snacks and I'm certified in CPR and first aid. My home is clean, smoke and pet free located in the Center Grove school district. Your infant, toddler or child will receive quality nurturing and a preschool like atmosphere for the older children filled with educational games, arts, crafts and tons of fun; as well as personal interaction throughout the day. I'm a 62 year old grandmother of 9 beautiful grandchildren; and have raised 4 successful grown boys (men now). I have successfully operated my own in home daycare for 30 years now. I'm located in a very nice and quiet neighborhood off of Dye's Walk golf course in the "Eldorado Estates" Subdivision.

My contact info is below and the best way to reach me is via my cell phone number, please feel free to call anytime day or evening.

Thank you in advance and I truly look forward to hearing from you soon. If no answer, please leave a voicemail and I will return your call as soon as possible.

Sincerely,
