

EXCEL SPREADSHEET DESIGN

Location **Maryland**
<https://www.genclassifieds.com/x-397743-z>

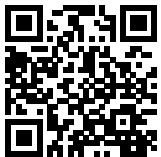

I am currently looking for someone to design an excel spreadsheet to track inventory for my company. I have some versions designed myself but I can't quite figure out how to come up with what I want. If you could please attach a copy of a spreadsheet you've designed and send it to me via e-mail with any questions you have concerning the project. Compensation is negotiable - I'd prefer it to be a flat rate.

Thank you for your time,
