Calling all College Professors! If you are taking the summer off from teaching, why not consider authoring a course for us.

We are looking for experienced college professors to author course materials for Business courses. We are looking to add 100 new courses this year in Business, Marketing, Job Skills, and Human Resources.

Course authoring can be done anywhere! Our course contracts are short (1 month).

If you have experience teaching Business, Marketing, Job Skills, and Human Resources courses we would like to hear from.
