

Black desk steel frame glass tops (20 USD)

Location

Michigan

<https://www.genclassifieds.com/x-397833-z>

Just like new, a simple but modern desk for computer, or for any usage you find fit. Kids room, nook, small office, your pick. Is listed so cheap because is missing glass shelf used as desk top. Rather than having a glass table top that will keep your hand always cold, you can replace it with a plywood covered with a nice veneer. It has the upper shelf glass top. Local pick up or delivered for a.
