

Patsy Cline Tribute (St Louis Metro)

Location **Missouri**

Patsy Cline Tribute artist for hire.

Small venue shows for assistant living centers, Red Hat lunches and senior citizen clubs. Shows are around 45 minutes with Patsy performing in full costume. She is very outgoing and loves to meet with guests after the show for pictures.

Midsize venues like fairs & festivals, private parties, charity events and church picnics. These shows go at least an hour. Again she'll be in full costume and spend time posing for pictures and meeting with guests after the show.

Large shows (2-3 hours) are perfect for VFWs, K of C halls, Elks/Eagle/Moose Lodges and small theaters. Patsy will do 2, 45 minute sets with a 20 minute break in between. We can add a second performer for a longer show. These shows typically work off ticket sales meaning there is little to no risk for you as a venue. You keep all bar and food sales. All we ask is that you help sell tickets in advance that we provide and help promote the show. We will provide a ticket taker/seller day of the show.

We provide all the sound equipment. No worries to whether or not your guests can hear the show. Please call or email if you have questions. We are local to the St Louis area and look forward to hearing from you.

Thanks
