

Looking for Autism Friendly Church (Gl Krny area)

Location

Nebraska

We are looking for a church in the area that is open to allowing children with special needs to attend. We have a child with Autism and would really like to attend church. If you belong to a church that would welcome us please send me the church's name and location. It is so sad that this is such an under served ministry. We also can help with ASL if needed.

Thank you
