

Lost Dog in Lexington (United States)

Location **Nebraska**
<https://www.genclassifieds.com/x-398276-z>

Chevy has been missing for two days, she is an inside dog and was not outside long before she came up missing. We think she may have been taken. She is an 8 year old Shiba Inu and she is missed very much. If you have seen her or have any information please let me know. Thank!
