Hello Everyone my name is Cortney and I run an in Home Childcare in my Parma home. I have been watching kids for years and absolutely love it. My childcare is open 24 hrs a day so those of you that work days nights weekends etc I'm almost always available!! I'm a loving mother of 3 beautiful kids. I have a 9 year old daughter and 2 boys ages 4, and 7. I also watch 2 precious and adorable little girls part-time. So I'm looking to fill 1 or 2 more spots in my childcare full or part time! I am first aid and CPR certified and have lots of great references!! My price is \$30 a day Full time and \$25 a day part time but I am very negotiable as I know some people have a hard time affording child care and other things.

I do many fun and exciting things with your little ones everyday at my child care. Such as story time, singing, dancing, play time, art projects, learning time and nap time. Depending on the age or ages of your little ones. I provide breakfast, lunch, dinner and snack time for all the kids. In the summertime we go for walks, play in the sandbox, go to the park and even go for a trip to the zoo with parents permission! I also have tons of indoor and outdoor toys for all ages. They will have such a great time! If the parents would like I can send home a daily report with your child/children so you know what they did everyday.

Most of all I love watching kids learn and grow each and everyday. It has always been my passion to watch kids as I just love them so much. So if you and your little ones would like to set up a date and time to meet please call or text or if you have any questions!! I promise your child will have so much fun and be in great hands!!

Thanks
