Theodore is a 8 week old, male, Shih Tzu / Chihuahua mix . He is very young so he has normal bad puppy habits as far as biting and pottying in the house. I have been trying to potty train him but work 10 hours a day and just don't have the time. He does great with other dogs, he currently lives with a American Pit bull Terrier! He has a huge personality for such a little guy, he loves attention but will let you know when he's had enough. He doesn't like to be held or for you to be in his face so a home with out children would do best! I've been crating him at night which he's fine with but around 7 he's ready to come out and will cry. I would like someone who is home a majority of the time. I am asking a \$100 fee and will not just give him to anyone, I want to do a home check and vet references! Please feel free to email me about.
