Hi,

I am an attractive, clean and well educated 26 year old male with a good and stable job. I have a foot fetish and I love smelling women's sweaty feet, socks, nylons and shoes, and this is exactly what I'd like to hire you for. If you are 18 years or older I would like to pay you to smell your feet/stockings(nylons) for an hour. It can be at any place of your choice (car in a public outdoor parking lot, public or private place) and you can bring along anyone you'd like if it makes you feel safe.

There will be no nudity or any other contact and you can get a foot massage out of it if you wish. Your safety and comfort are a priority. Also I would prefer to meet up at a Starbucks or a public cafe first just to make sure we are both comfortable.

I would prefer to do this after you have had a long day at work in your shoes or if you've worn stockings for a week straight (i.e. the smellier the better). I also have a thing for office attire stocking clad feet in flats (or heels of any sort). Can be ongoing or a one time thing.

Please reply with a pic (if you don't want then please include a pic of your feet in stockings or bare whichever you prefer). And put in the subject line "Stinky Stockings on your face" to filter out spam. Only replies with pics will be considered. Also no one liners please.
