Hi, I am looking for a graphic designer to create a quick "pen and pixel" style album cover for a new rap project. I have included a couple reference photos for the type of design I am looking for. If you are interested in helping me out and have the software needed to do so, shoot me an email and I will give you the exact details as to what the album artwork should include. Thank you!

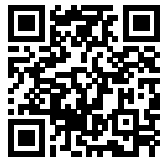

PS: Sorry for no pay, I'm balling on a:)
