I'm a regular attractive guy who has found a lucrative little side business--doing Cam Shows on Chaturbate.com. For me, it's just good fun and something that turns me on.

On a good day one can make hundreds of dollars chatting, playing and having fun. But you know who makes the real money on the site? Couples!

I'm posting because I'm not sure how to ask friends of mine "Hey, interested in playing on cam and making money with me?" Yeah, that could get pretty awkward.

So I'm posting here to see if I can meet someone who thinks this could be fun! Ideally we'd meet up and just see if we get a long--I'd like this to turn into friends or FWB eventually, but at first it could just be some fun on the side.

I have all the equipment needed, and at first at least when we'd play together, you'd keep all the profits :) Also I live alone, though where we set up can be negotiable.

So that's about it, send me an email about yourself with pics, and let's see if we! :)
