

DONT WAIT FOR BAD NEWS (OK)

Location **Oklahoma**
<https://www.genclassifieds.com/x-398652-z>

If you wait for a symptom of lung disease it is too late. Don't wait for bad news.

Order a lung (and heart) scan for only \$100. This scan can detect a tumor the size of a grain of rice. Detected that small it is in its most treatable and survivable stage.

Be proactive with your wellness!
