

# Stay At Home Mom Available For Childcare (Far Northeast Philadelphia)

Location **Pennsylvania**  
<https://www.genclassifieds.com/x-398954-z>

I am available to babysit in my home for children of all ages. I can help with homework, crafts, games, etc. I'll make breakfast, lunch, snacks, dinner, etc. I am a mother and also have lots of siblings and nieces, as well as previously caring for an 18 month old. I am very experienced with all ages.

A little bit about myself:

My name is Katie, I am an engaged 29 year old with a 18 month old daughter. My fiance works in the restaurant business and I have over 10 years in restaurant management. Now, I am a proud stay at home mother available to watch your child(ren) in my home. We have reliable transportation and very active. My daughter and I are outdoors everyday- playing or going for walks, going to the parks, sidewalk chalk, etc. I have extra infant car seats as well as plenty of infant toys, swing, bouncy seat, potty training seat, toddler toys, bottles, pacifiers, sippy cups and more.

I am available days, nights, 24hrs; I understand that not everyone works a day job and needs childcare outside those hours. Full time, part time or just a date night- I'm available!

Please email me if you're in need of childcare or have further questions for me! Rate of pay starts around \$30/day but also depends on age of child, how many children, amount of hours, etc, please include in email your rate of pay, a little bit about yourself, your location and childcare needed.

I can't wait to hear from you! My daughter loves new friends and I love to be of some help to others!

Thank you!
